## Protecting your travels

Planning a trip is half the fun of traveling. You select how you're going to travel, where you'll stay, and what adventures you'll have while you are away. You make your reservations, make the required payments, update your passport if necessary, and you're ready to go. But what if you are prevented from taking your trip? What if you become ill or injured before or during your trip? What if your selected airline or cruise line should go out of business?

Those hard-earned payments could be lost.

To help protect you from losing the money you've spent to travel, there is Patriot T.R.I.P.<sup>SM</sup>, (Travel Itinerary Protection), a trip cancellation insurance plan. Patriot T.R.I.P. provides coverage for many of those unforeseen circumstances that may force the cancellation of your travel plans or interrupt your covered trip. A covered trip is any travel and sojourn to a destination more than 120 miles from the starting point of the covered trip and not exceeding 30 consecutive days.

With Patriot T.R.I.P., you may recover non-refundable, unused payments and deposits when a trip is cancelled or interrupted for a variety of reasons. Benefits are also provided for travel delays, baggage delays, and emergency medical treatment while you're away from home.

Separate from these benefits, International Medical Group<sup>®</sup> (IMG<sup>®</sup>) can provide non-insurance emergency travel assistance, such as helping you replace lost travel documents or lost prescriptions, emergency cash transfers, and legal and medical referrals when necessary. All of these services are designed to make your trip as stress-free as possible.

Traveling can be an exciting adventure, but the unexpected could happen. Make sure you have the protection you need with Patriot T.R.I.P.
